

## **OWL AND TEXT MESSAGE COMMUNICATIONS**

In an effort to improve communications regarding our events and programs, OWL is implementing a text message reminder system.

By opting in to receiving text messages from us, you give us permission to send notifications to you regarding our programs. This could be a reminder on the location, time, etc. as well as any special notes that we feel would be useful for you to know.

Per the [Telephone Consumer Protection Act](#) 47 U.S.C. § 227, OWL will not abuse this consent. We will never sell, rent or share your information with any third party.

You may opt out of receiving text messages from us at any time by replying "STOP".
