

Meet Angela Evans Training

Hi! I'm Angela, the Owner and Chief Experience Officer of Angela Evans Training. My number one goal is to help people, and businesses have better days.

Since my first "real job" (over 30 years ago), I've been training amazing people to discover and learn new skills that help them building stronger relationships, be more efficient and/or just have a great attitude and have fun in what they do!

I bring my 30 years of experience working with people and businesses in a number of different industries to your business! I will spend time getting to know you and your business, what you want to achieve and designing a custom approach to help you succeed.

What people are saying about Angela

Deborah, Technical Trainer, Banking:

"I appreciate the "Yes, and..." to all of participant's responses. There was not a "that's not the right answer," or "you're wrong." Angela fosters a safe, positive learning environment where we can all speak our minds. Angela is engaging in leading this course. I learned a lot and look forward to bring all this good info back to my role."

Meghan, Project Manager, Pharmaceuticals

"Amazing Training! I love that Angela took the time to sit and learn about us, our job and our frustrations to then apply in the training. Everyone took something away and all were engaged during the entire training."

Cadie, Administration Associate, Banking

"This training was very helpful and informative. Angela did a great job fearlessly engaging and leading the room. She also was fantastic at answering questions."

Ivy, Service Delivery Manager, Insurance

"I participated in this workshop with Angela Evans, and I cannot say enough great things about her. Angela brings such warmth and enthusiasm to the topics she presents. She has an extraordinary ability to connect with the audience and keep them engaged. In addition, her stellar delivery enables the listener to really absorb the information. Thank you for including me in this valuable workshop. It was excellent use of my time!"
